

Special offer - for you staying over night in Flåm!

Join us on our customized tours when we make a photo stop in the old Flåm centre!

The old village centre lies 4 km away from the station. You have ca. 15 min. time to walk around and take pictures. You will enjoy a fantastic view to the 140 m high Rjoandefossen waterfall, and you can visit and go inside the Flåm church, which was built in 1667. We guide you through this beautiful pearl. Join us on an exciting round trip and find out more about our village and how we live here!

View to the Rjoandefossen waterfall, the water has a free fall of 140 m!

Visit and go inside the Flåm church, built in 1667!

Duration of the trip: **1 hour**
Price per person: **125 NOK**

Please note: We have several departures during the day time, but these are usually without stop.

Customized tours with a stop where you can walk towards the waterfall and go inside the church must always be booked in advance!
